October 2004

Central Coast Chapter, California Land Surveyors Association Gets Involved and Receives Thanks

Donation of Survey Equipment - Cuesta College:

In the Winter 2003/2004 the Chapter established a committee to discuss and research purchasing digital levels for Cuesta College as a result the Chapter bought 4 new Levels for Cuesta College to utilize in their Surveying Class.

April 30, 2004

Mr. Robin Isakson
President - Central Coast Chapter California Land Surveyors Association

Dear Mr. Isakson,

It has long been recognized that private philanthropy is essential in America's public educational system. In recent years, California's community colleges have become active in this role, and we are striving to achieve the remarkable success in generating essential private funds for public education that the country's universities have experienced. Your recent donation of survey equipment, valued at \$1,000.00, recognizes your willingness to help Cuesta College continue to offer the means to assure the student success and excellence that we value so much.

We treasure your friendship and support. Through generous donations such as yours, we know you also take pride in Cuesta College, its programs, services, and scholarships. Thank You for your continued generosity.

Sincerely,
Marie E. Rosenwasser, Ph.D.
Superintendent/ President

Scholarship's - California State University, Fresno (CSUF):

In January 2004 the Central Coast Chapter of CLSA presented two \$750 scholarships at the 43rd Annual California State University, Fresno (CSUF) - Geomatics Engineering Conference.

Cliff Lewis Memorial Scholarship

March 24, 2004

Robin Isakson - CLSA Central Coast Chapter President

Dear President Isakson,

I am very honored to receive the Cliff Lewis Memorial Scholarship from you. I greatly appreciate being recognized for my accomplishments by such a renowned organization.

I am proud to say that I recently became a member of the California Land Surveyors Association and I'm glad I made that commitment. I plan to continue the tradition of investing into the scholarship fund over time. I hope to provide another student with the financial aid and encouragement the same way CLSA provided for me.

The Cliff Lewis Memorial Scholarship demonstrates the strong commitment the surveying community has for education. To receive this scholarship is a great honor.

Sincerely,
Joshua Cates

Jeremy Redmund Memorial Scholarship

February 10, 2004

Robin Isakson - Central Coast Chapter, CLSA

Dear Central Coast Chapter members:

My name is See Yang, the recipeint of the Jeremy Redmond Memorial Scholarship in the amount of \$750. It is an hoonor to receive this award.

Thank You for the privelege of presenting me with this outstanding gift. Your scholarship outreach efforts and financial support definetly plays a role in my education. I am truly honored and appreciate it from the bottom of my heart. I will do my very best to reach my educational goals.

Sincerely, See Yang
Student at CSU, Fresno
Geomatics Engineering

Trig-Star Awards:

Mr. George Marchenko

I would like to thank the Central Coast Chapter of the California Land Surveyors for putting on this year's Trig-Star test, it was an excellent chance for my Morro Bay High School classmates and I to practice our knowledge of Trigonometry in practical ways. We are all very appreciative of the opportunity it presented to us. The check was nice too.

Sincerely, Nicholas Cugini

Dear Rob,

I would like to thank you and the Central Coast Land Surveyor's Association for the delicious Apple Farm dinner and generous prize that I received for being the Morro Bay High School Trig Star. I have deposited the prize money in my college fund and the award plaque I recieved is hanging on my bedroom wall. Your support of High School mathematics is appreciated by all.

Thanks again, Daniel Radke
